Requested by NCSX

- 1 - NCSX wants RF235 currently used by R. Kaita
 - 2 - NCSX wants RF228A currently used by RF
 - 3 - NCSX wants CS211 and its hallway for diagnostics and racks -- currently used for PBX storage and thoroughfare to HP and RF 2nd/3rd floors
- QUESTION - Will there be a radiation issue for HP and others in the RF Building during NCSX
