CHEMICAL REQUISITION REVIEW SHEET

C-1093

• THIS SPACE TO BE FILLED OUT BY REQUISITIONER •

Requested by: Jim Chrzanowski Ext.: 3051 Dept.: NCSX Date: 1/19/04

Fax Number: \_\_\_\_\_ Email Address: \_\_\_\_\_

Type of Purchase: Free Sample Requisition Number: \_\_\_\_\_

Item trade name and description:

CTD-522-2X

Number of Containers: 1 Size of Containers: quart

How will this item be used?:

R&D trials for NCSX modular coil mold fabrication

Where will this item be used and/or stored? (Include room and cabinet number if applicable):

D-site basement

Will this item be used in a Radiologically Controlled Area (RCA)? No

Is the MSDS available?: Yes List MSDS ID Number (upper right corner or electronic MSDS ID): \_\_\_\_\_

• THIS SPACE TO BE FILLED OUT BY INDUSTRIAL HYGIENE •  
The Following Information Applies Only to the Use Specified Above

HAZARDS

- Flammable
- Corrosive
- Reactive
- High Toxicity
- Special Hazard

PERSONAL PROTECTIVE EQUIPMENT

- Apron
- Face Shield
- Coveralls
- Gloves

- Safety Glasses
- Chemical Splash Goggles
- Respirator
- Other

SPECIAL REQUIREMENTS

- Air Monitoring
- Training
- Medical Surveillance
- Other

Contact Industrial Hygiene, Ext. 2533 for Inspection Before Use

Comments:

**Part B is corrosive. Goggles and rubber gloves are REQUIRED when handling. Use only in well ventilated areas. Local exhaust (fume hood or elephant trunk) strongly recommended.**

*All users of this material must be informed of the contents of this form, and must be trained on the MSDS and any applicable Job Hazard Analysis (JHA).*

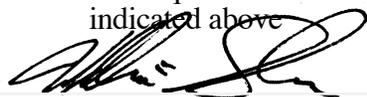

APPROVED  
for use Specified

APPROVED ONLY  
with Requirements  
indicated above

REORDER APPROVED  
IF no changes

NOT APPROVED  
(see Comments above)
