<b>PPPL (AUTHORIZED REPRESENTATIVE) SHIPPING RELEASE</b>						
<p>This is to certify that evidence supporting the above Supplier's Certification statement has been audited and no product/service nonconformances from procurement requirements have been found unless noted below. This product/service is hereby released for shipment.</p> <p>This section serves as the Quality Assurance release for the above described product for shipment. It does not constitute an acceptance thereof and does not relieve the Vendor, Manufacturer or Contractor of any and all responsibility or obligation imposed by the purchase contract. It does not waive any rights the Purchaser may have under the purchase contract, including the Purchaser's right to reject the above described material upon discovery of any deviations from requirements of the purchase contract, drawings and specifications.</p>						
<b>NONCONFORMANCES FROM PROCUREMENT QUALITY REQUIREMENTS:</b>						
<p><i>As documented on approved Metal Tek Corrective Action Reports, including CA1347 and CA1536, as well as approved Nonconformance NC20166 from Major Tool. In addition, the following NC's, which have been approved by PPPL will remain open pending completion of the corrective actions:</i></p> <ul style="list-style-type: none"> <li>• NC20124 Rev 1 for oversized hole, to be corrected with an insulating bushing (to be delivered with the casting)</li> <li>• NC 20201 for Rejections on the IDC, which will remain open pending grinding at Major Tool prior to shipment, on the Outer As-Cast Surface, E-side Pocket (Sheet 1 Line Item 130 on page 2 of the IDC).</li> </ul>						
<b>REMARKS/PRODUCT SERIAL NUMBERS:</b>						
Release with open NC action as documented above.
