SUBJECT: Subcontract S005242-F
Acceptance of Flange Hole Changes Proposed for Type B Winding
Form

Dear Ms. Horton:

Phil Heitzenroeder this morning has directed that you be informed that "NCSX accepts Mike Griffith's proposal of 6/12/06 to convert (17) clearance holes on the Type B winding form, datum E flange, to 1.375-6 UNC x 1.5" min. thread depth holes. The revised drawing is expected to be posted in the next day or two; we will advise when it is posted."

This change is effective immediately. If its implementation has a cost or schedule impact notification, with supporting details, is to be provided within thirty days.

Regards,

Larry L. Sutton

Senior Subcontract Administrator
