Subject: Dimensions for Stellalloy samples

Subject: Three Stellalloy Samples

Mike,

Here are the dimensions you requested

	X Dim.	Y Dim.	
Coupon marked Z2	2.801"	.923"	at room temperature
nitrogen	2.791"	.920"	after 3 minutes in liquid
Coupon marked ZC	2.940"	.946"	at room temperature
nitrogen	2.929"	.941"	after 3 minutes in liquid
Cylinder	12.001"		at room temperature
nitrogen	11.970"		after 24 minutes in liquid

The samples are located in the NBPC Area at D-Site. If you would like them located to a different, just let me know.
