

NCSX – Alternate Configuration Concept

Option 1

L-Channel Shape
winding surface and L
shape closure

Module 1

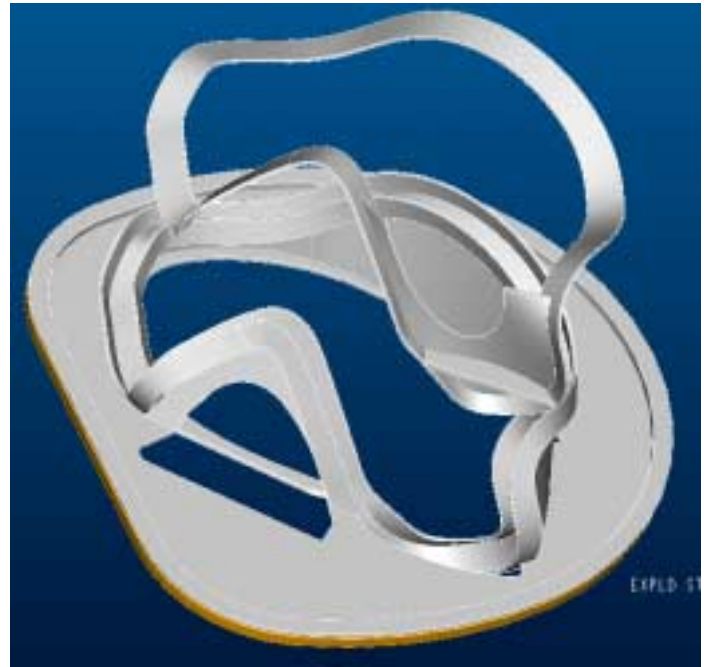

Option 2

U-Channel Shape
winding surface
with plate closure

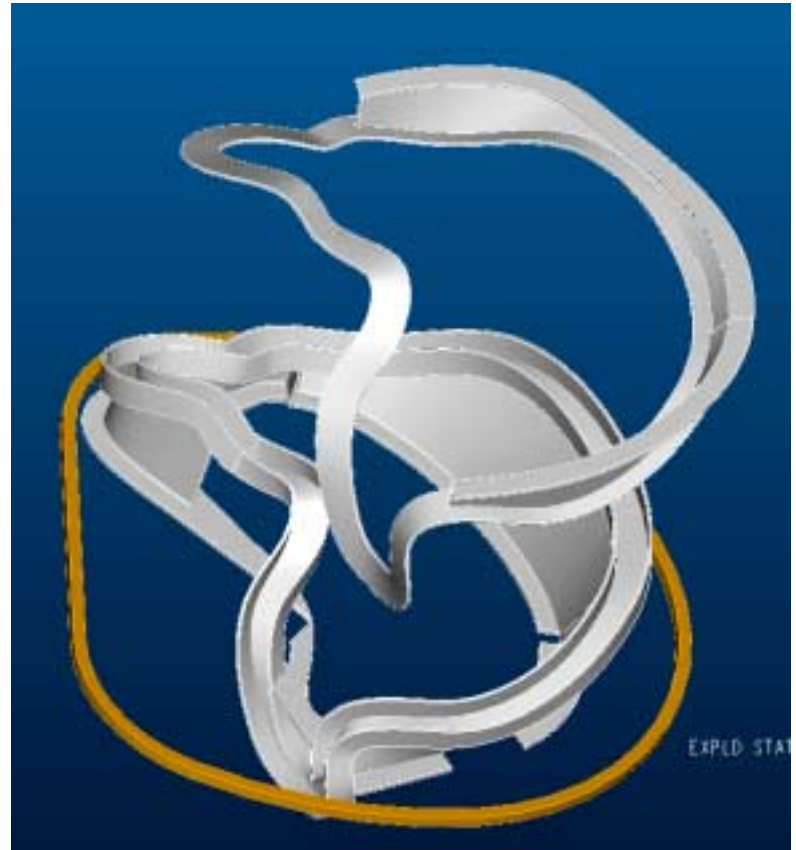

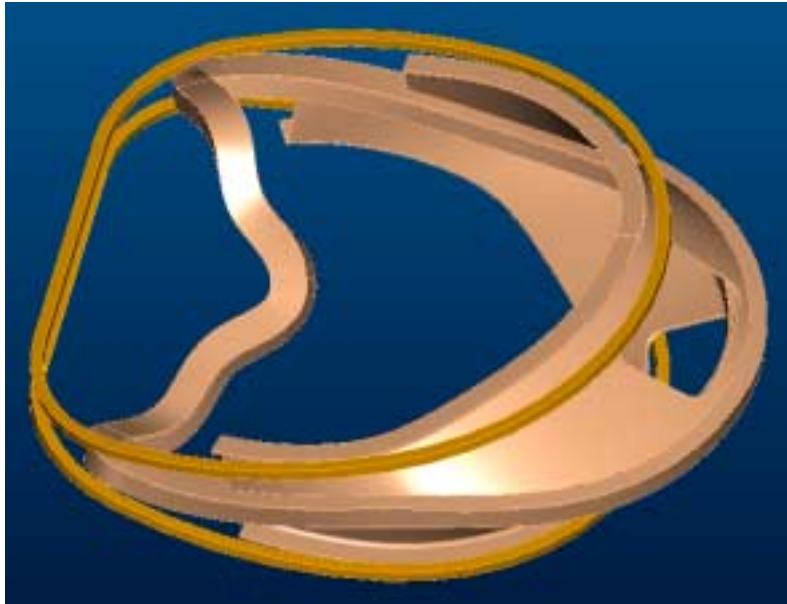

Module 2

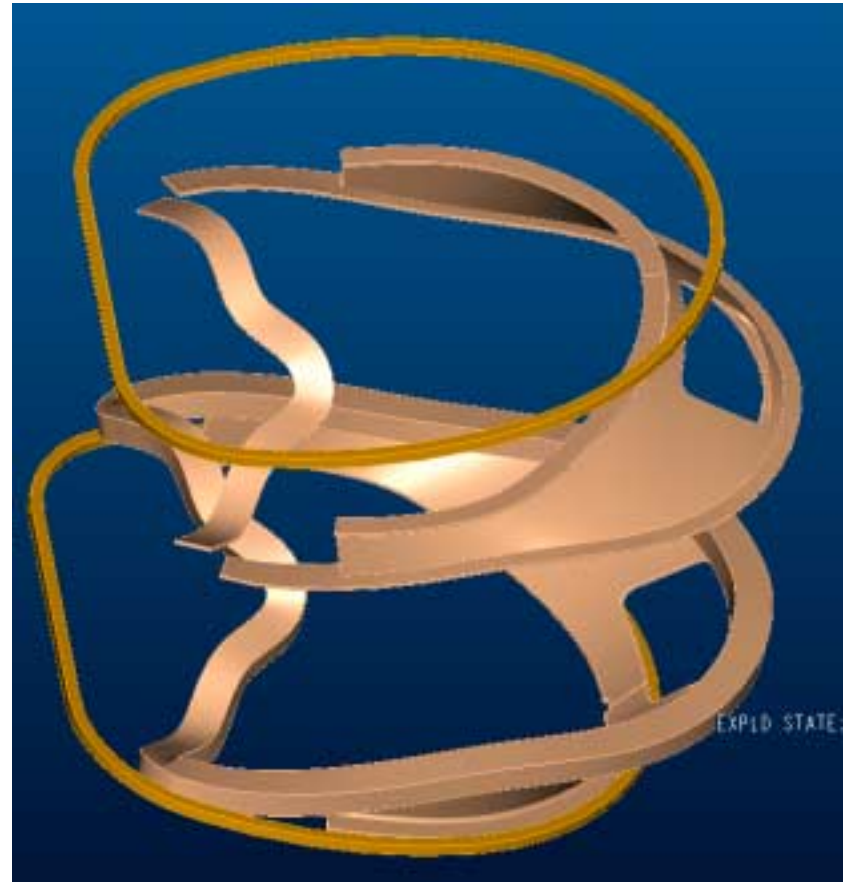

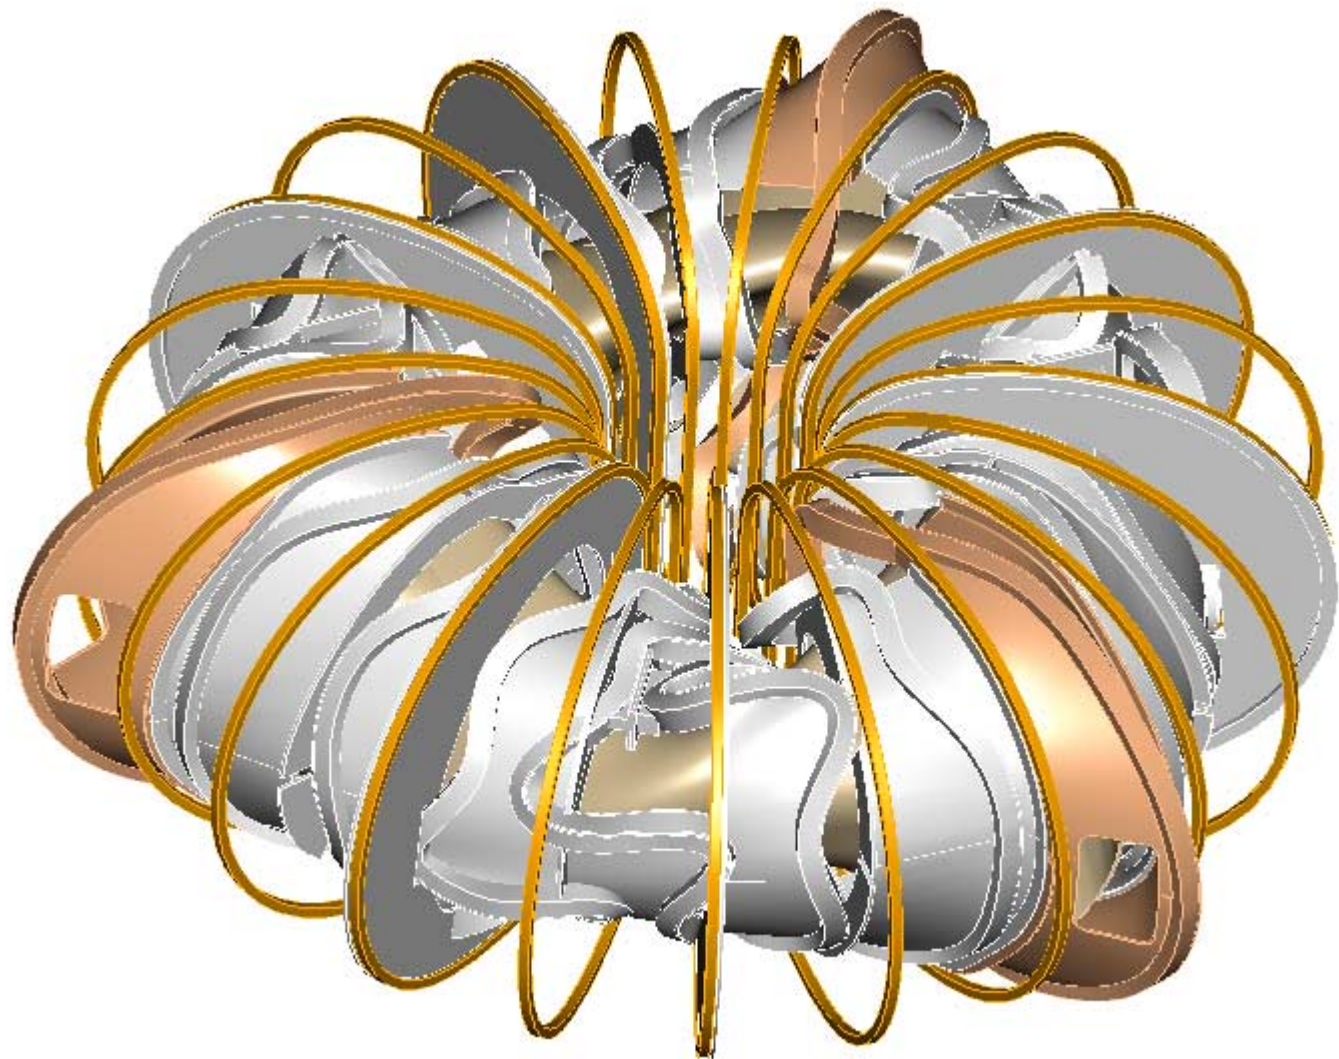

Module 3

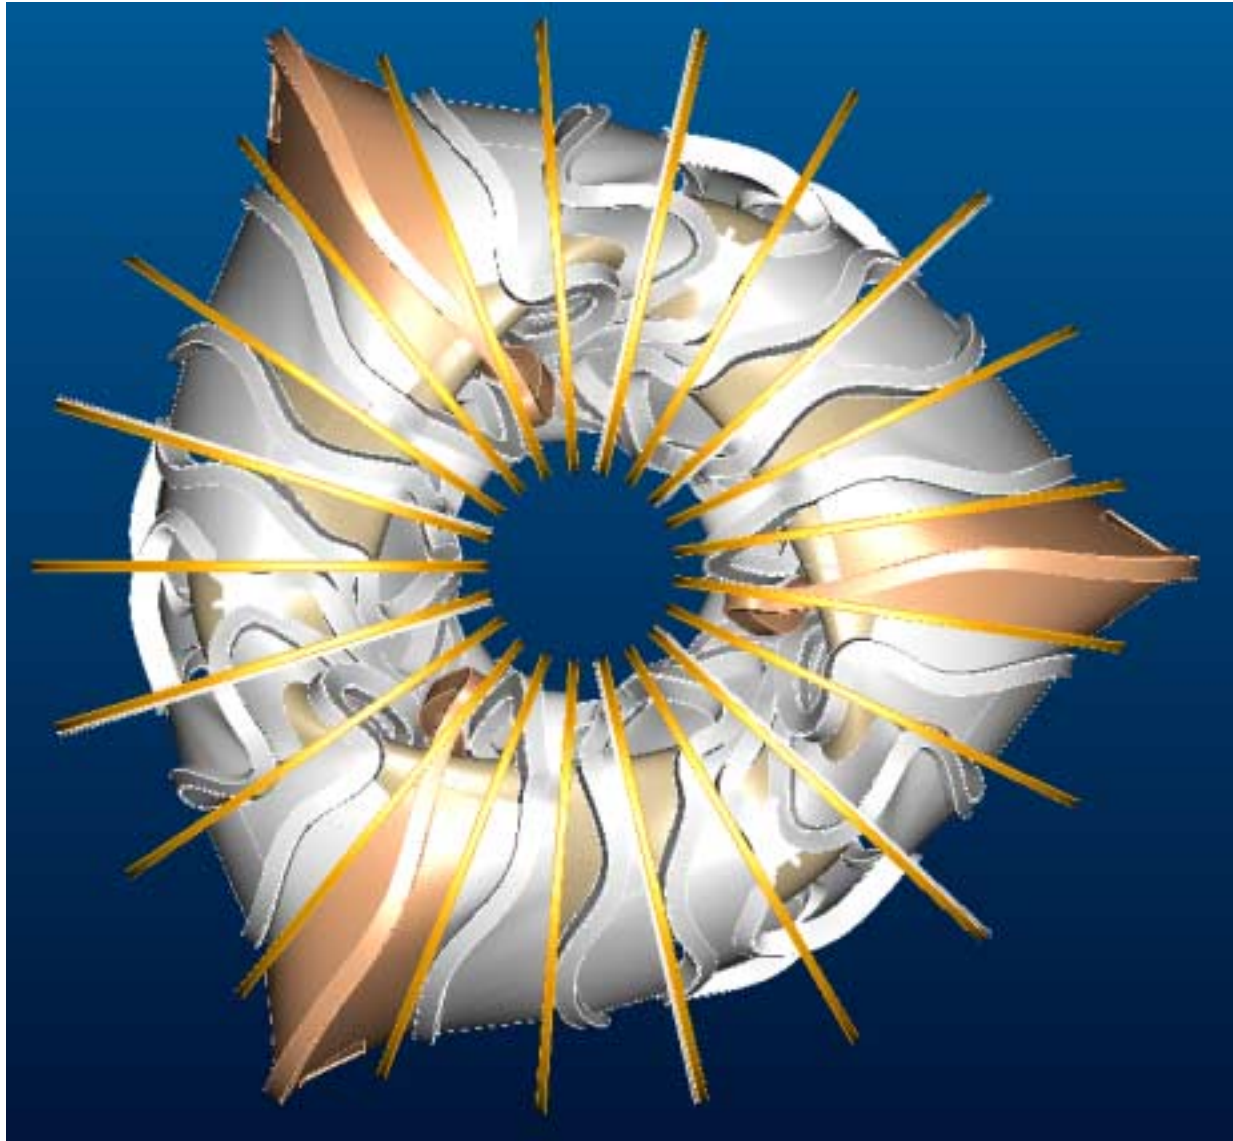

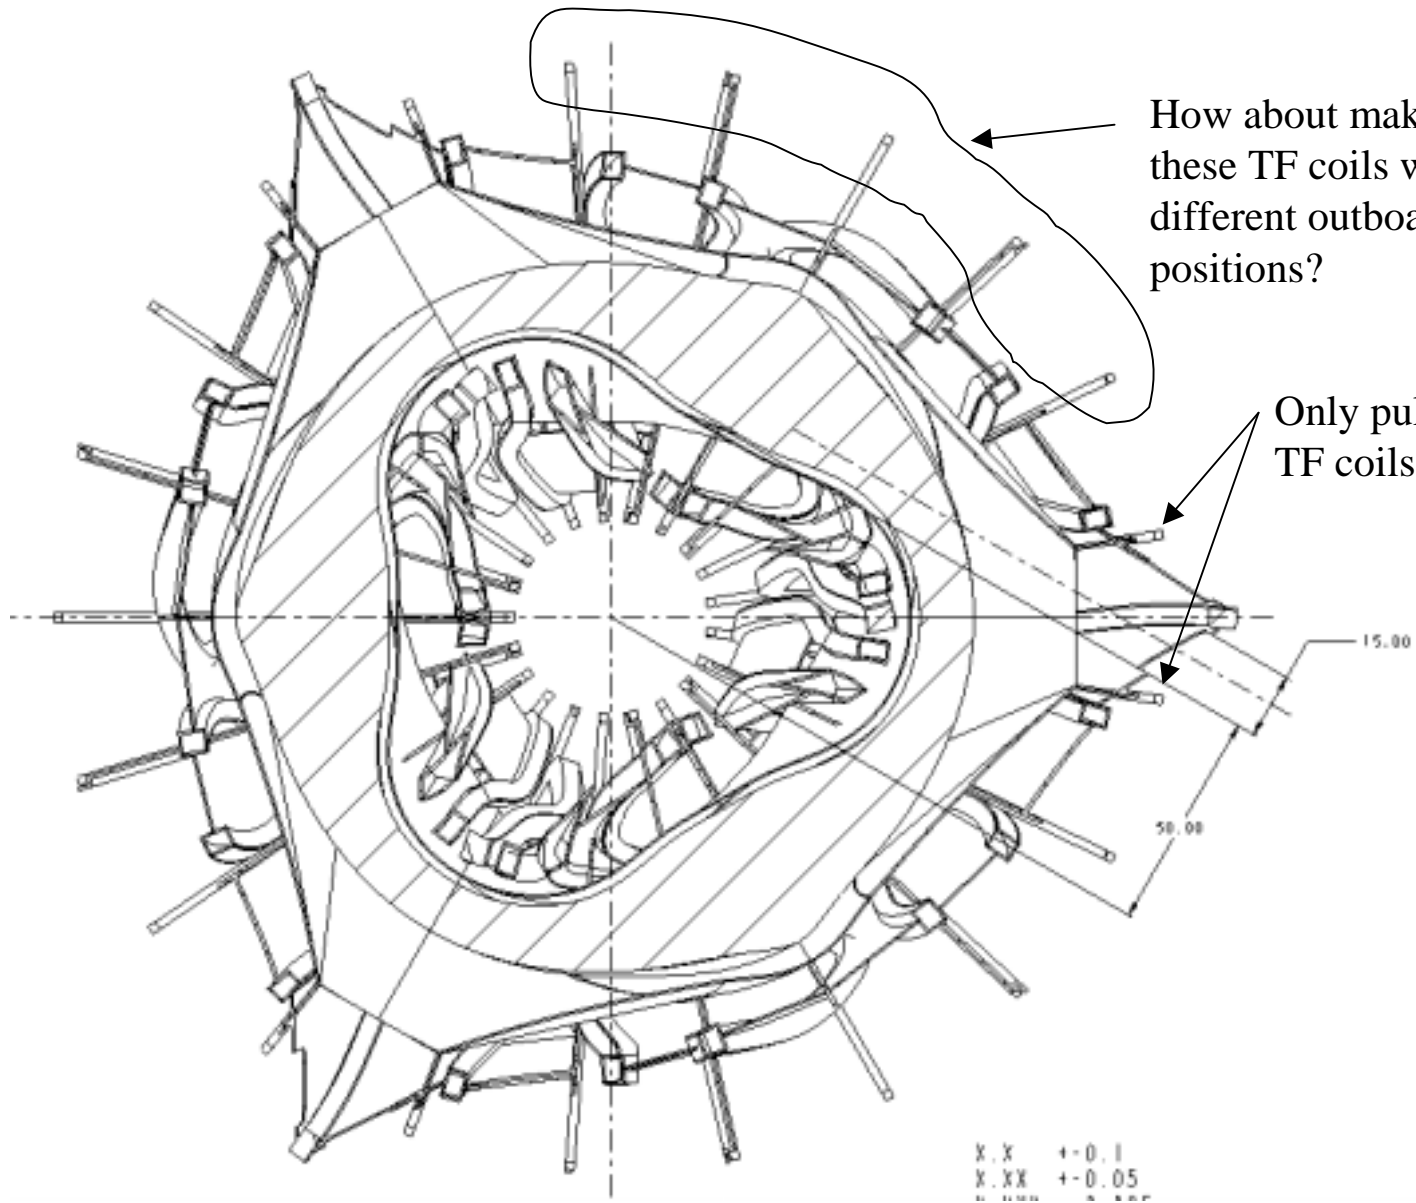

Module 4

How about making these TF coils with different outboard leg positions?

Only pull these TF coils out ?

X.X +0.1
X.XX +0.05
X.XXX +0.01
