Any purchase order submitted pursuant to this quotation shall not result in a contract between seller and buyer until it is accepted in writing and acknowledged by seller at seller's office in Indianapolis, Indiana. This quotation is subject to change without notice. The quoted date or period for delivery will be determined from the date of seller's acceptance of a purchase order submitted by the buyer. Work entering seller's shop between the date of this quotation and the date of seller's acknowledgement of a purchase order will be considered when evaluating delivery dates. We are classified as a small business per FAR 19.101 (latest revision). Government owned facilities will not be used in the processing of the order. This quotation supersedes all other quotations for this part number.

Revision # 1  
Revision Date: 11/28/2005

QUOTATION  
Q05-00973

PAGE: 2

Cost Impact to deviate from the design and original price concession agreements as follows:

MTM will produce (2) Blank-Off Covers from either Alloy 625 (line 1, option 1), or from Alloy 617 (line 4, option 2) for in-house vacuum testing.

MTM will produce (6) SE121-099 Blank-Off Seal Details from 316L SST and install to the (6) existing SE121-091 Blank-Off Covers for use during PPPL vacuum testing.

The 617 material is in stock at MTM and the price includes a discount for the material to be returned to MTM stock.

Delivery impact: None (but agreement required by 12/04/2005 to avoid delay)
