### NCSX Integrated Project Team

The NCSX Integrated Project Team (IPT) is made up of key DOE and Contractor Project Team personnel and is responsible for ensuring good coordination between DOE and the Contractors (PPPL and ORNL) in the execution of the NCSX Project. The IPT is chaired by the NCSX Federal Project Director, and meets once a month.

The IPT Charter, membership directory, and meeting minutes are posted on the IPT web site: [http://ncsx.pppl.gov//Integrated\\_Proj\\_Team/Integrated\\_Proj\\_Team.html](http://ncsx.pppl.gov//Integrated_Proj_Team/Integrated_Proj_Team.html)
